

REMARKS

Reconsideration and allowance of the above-identified application are requested.

*Claim Informalities*

The Legal Instruments Examiner states that a complete listing of all of the claims is not present. A new "Amendments to Claims" section is submitted herewith. A complete listing of all claims is presented.

Although in previous correspondence no amendment to the claims was requested, such amendment is now and hereby requested. Applicant requests amendment to each and every claim in order to correct the informalities therein, namely that the first word of each claim should be capitalized.

Applicant believes that the amended patent application is now in condition for allowance. Accordingly, the Applicant respectfully requests that a Notice of Allowance be issued in this case. The Examiner is invited to contact the undersigned by telephone or facsimile if the Examiner believes this would advance the prosecution of the matter.

Respectfully submitted,
